MOUNTAIN  
BREEZE  
1949**

# *The 1949 Mountain Breeze*

*Annual Publication*  
*of*  
OVERSEAS HIGH SCHOOL  
Cleveland, West Virginia

Lincoln High School      •      Overlook War Veterans

## *Foreword . . .*

MEMORY . . . ever fleeting as time . . . may be recalled  
in the pages of this Medford Breeze.

## *Dedication . . .*

 LET US, therefore, follow after the  
things which make for Peace

## *School Days . . .*

1. And let me make the vow  
To dwell of life as school  
And try my best  
To make each year,  
And do my work  
And seeking truth.
2. Should more, you also catches  
This golden world of mine,  
Should I be sad?  
I will be glad  
To do my best  
In life before.
3. If weary, with my book  
I read a story that  
Where peace grows  
Oh let me know  
That flowers within  
Are best to win.
4. How calm my heart may  
Come to let me play  
And let me rest  
To run about?  
I grateful know  
That far more.
5. These years past, that  
I now are slowly living  
On my hand hold,  
My hands to stretch  
And as my heart  
To learn my part.
6. These hours that day give  
To teach me how to live,  
To do to best,  
To get and sleep,  
To work and grow  
And stand strong.
7. What though I may not ask  
To show me daily task,  
That has become  
To meet my need  
What grows there  
That shall prove me
8. Some day the bell will sound,  
Some day my heart will sound,  
As with a shout  
That school is over,  
And henceforth  
I knowed this.

**Abstract** The purpose of this study was to determine the effect of a 12-week, low-intensity, supervised walking program on the physical and psychological health of sedentary, middle-aged women. The study was a randomized, controlled trial. The subjects were 40 sedentary, middle-aged women who were randomly assigned to either a supervised walking program or a control group. The walking program consisted of 12 weeks of supervised walking, 3 times per week, for 30 minutes per session. The control group consisted of 20 women who did not participate in the walking program. The subjects were assessed at baseline and at 12 weeks. The walking program had a significant positive effect on the physical and psychological health of the subjects. The walking program significantly improved the subjects' physical health, as measured by the 6-minute walk test, and their psychological health, as measured by the Beck Depression Inventory and the State-Trait Anxiety Inventory. The walking program also had a significant positive effect on the subjects' quality of life, as measured by the SF-36. The walking program was a safe and effective intervention for improving the physical and psychological health of sedentary, middle-aged women.

—The *Journal of the American Medical Association* has published a study that suggests that the use of a single, low-dose, long-acting antipsychotic may be more effective than a combination of two or more antipsychotics in the treatment of schizophrenia. The study, which was conducted by researchers at the University of California, San Francisco, found that patients who received a single, low-dose, long-acting antipsychotic had a higher rate of response and a lower rate of side effects than those who received a combination of two or more antipsychotics. The study also found that the use of a single, low-dose, long-acting antipsychotic was associated with a lower risk of hospitalization and a lower risk of death. The researchers conclude that the use of a single, low-dose, long-acting antipsychotic may be a more effective and safer treatment for schizophrenia than the use of a combination of two or more antipsychotics.

### THE TOWN OF ALMA

# Class History . . .

Our Whodunnit WEEKS are ending and just as the Whodunnits did not, basketball games did not, we are now on an expedition awaiting for 1934.

During the last few of our journey we have again a number of propositions were a finished, which is a consolidating number. Of course we had to select someone to lead us on our trip and we chose as follows:

President	Harry McPherson	Superintendent	Charles E. Foster
Vice President	John Earl Schuler	Chairman	James McLaughlin
Secretary	Conrad Blackman	Spokesman	Max Johnson - Mrs. Paul

This was a very busy year for us. Everything was new. Many of our girls joined the Future Homeowners Club and the boys the Future Farmers Club. They were preparing themselves for the time when we reached the end of our journey. Armand attended to make all our bags and others who couldn't take part in the sports were taken to the Future Club.

At the end of the year we had a Home Ex Party for class picnic and the spring carnival. We decided in the end that the year hadn't been half so bad as we thought it would be in the beginning and will admit to a bright spot in our journey.

After arriving in 1934 things were more lively of activity, because we are now considered as "the first" one. Our group is a little smaller because many have fallen while the last.

Our leaders for this year were:

President	Harry McPherson	Superintendent	Chas. E. Foster
Vice President	John Earl Schuler	Chairman	James McLaughlin
Secretary	Conrad Blackman	Spokesman	— Spokesman —
Treasurer	Max Johnson		Max Johnson

We were all very anxious for our first class party and when they came to have it, we decided to have a Christmas Party. The excitement was certainly the most of a happy group that night.

This year a new club was organized which was called "The Home and Street Club." It was for the purpose of saving the children boys when home games. Three girls were selected from our club as members.

This year the grade department presented an opera called "Mad Hatter," and several of our class members took part in this.

As a whole our second year was a very enjoyable one and the end found us looking forward with joy to the coming year.

THE THIRD YEAR of our journey was indeed a bright one. We selected as leaders this year:

President	Harry McPherson	Superintendent	Chas. E. Foster
Vice President	John Earl Schuler	Chairman	James McLaughlin
Secretary	Conrad Blackman	Spokesman	— Spokesman —
Treasurer	Max Johnson		Max Johnson

Many of the students traveled in the commercial classes while they had never had an opportunity of doing before. We were also given the opportunity to join the clubs.

This year both in 1933 they were named. The Home, in my very rough and parcel study, took at this time commercial building, and in the last part of the year Mr. Earl Schuler, from the John took place in some studies.

This was really the most fun year. Our football team won the Gloucester Valley Championship and a homecoming was given at their home. We also had a long hot game at Portland, for the first time and they were crowned as the homecoming game. At the same time class presented a play and the one our group presented took better part.

A Christmas Program was presented under the direction of Mrs. Everett Max Johnson, Mr. Schuler and Mrs. Davis. Many of our group took part in this.

At the end of the year we presented the New one with a Festival from which will always remain in our memories.

THREE MORE YEARS, many happy moments and fourth year.

The day we received our class rings was one of the happiest. It was also very exciting to walk on parade for the friends and classmates. The Home play "The Little Giant," was presented in April.

Finally came the last evening class. After McPherson's program and graduation night. We then realized that our journey was almost at an end. We didn't get any good for, we had found every thing for once, really and looking.

★ Beautiful ... in any season!

Figure 1 consists of two histograms side-by-side. The left histogram is titled 'train' and the right is titled 'test'. Both histograms have 'Number of non-zero elements' on the x-axis, ranging from 0 to 200. The y-axis represents frequency. In both cases, the distribution is unimodal and centered around 100 non-zero elements, with a slight right skew. The 'train' distribution is slightly wider than the 'test' distribution.

# Future Farmers of America . . .

This position upon which the Future Farmers of America Organization is built, is a well-recognized character development community of operators, workers, thinkers, scholars, athletes, speakers, organized members, scholars and students. The Future Farmers of America is a group, not a political force with special interest of temporary membership. The organization is built around a few stable and reliable and has no outside influence or money in its action with any of its members.

## The motto is:

Learning to Do  
Doing to Know  
Knowing to Live  
Living to Serve

The **Overlook Club** is a 100% club with all students of residential agriculture programs in the national organization of F. F. A.

The activities of the club include: The Annual Field and Soil Survey in the Spring, the annual Farm Fielding Trip, Party, National Farming Conference, Quatern and National Farm Day.

## OFFICERS

President	James Kennedy
Vice President	Paul Bender
Secretary	George Chubb
Treasurer	Ray McLaughlin
Reporter	Karl Scott
Adviser	H. Smith

## *Shop . . .*

Excellent equipment and well-planned courses enable the G.H.S. shop to continue to serve both students and community in its vocational capacity.

---

## *Commerce Department . . .*

Our Commerce Department is a center of interest for all students. It gives the student a general understanding of business functions and prepares him for vocational training. This year six new typewriters have been added to the department; and with adequate equipment, material, and space, a more enriched curriculum in this field may be realized.

## *Home Economics . . .*

In our G. H. S. food laboratory, Home Economics students follow the practice of applying theory with workshop experience.

---

## *Hot Lunch . . .*

G. H. S. hot lunch program continues to enlarge and advance. The large 180/-foot kitchen permits our students, under vocational guidance instruction, to butcher and freeze meat, served daily for our students and personnel.

## *Library . . .*

The school year began with an addition of eighty-two new books provided by the Board of Education and funds from the Third Annual Spontaneous Banquet.

Progress was made with a new requirement of a Library Science Unit to be taught in all English Courses each year. This encouraged better student participation and book circulation.

A cheerful holiday spirit was promoted in the Library with a display of Christmas decorations given by the Home Economics Department.

The Second Semester followed with the usual last minute flurry to complete the year's requirement of book reports in the last six weeks of school.

## Senior Play . . .

For the Senior play of '48 we chose the three act comedy "Here Comes Charlie," written by Jay Tolson.

The cast is as follows.

Norma Malone	Eliza's aunt	Marlene Vandermast
Officer Tim McGrill	Eliza's mother-in-law	George Kane
Mrs. Fanny Farnham	Eliza's maid	Gertie McManis
Larry Elliott	A young business man	Jack Moran
Ted Hartley	The old village fool	Gale Shensbury
Vivian Smythe-Kerny	Larry's fiancée	Patty McPherson
Uncle Alcock Twigg	In charge of Charlie	William Arbogast
Charles Hagen	Larry's uncle	Eleanor Shields
Mrs. Caroline Smythe-Kerny	Tim's mother	Betty Overhill
Mortimer Smythe-Kerny	Vivian's brother	James Nottingham

Each member of the group did a real Hollywood job of selling his part. So well did each portray his particular role that it would be impossible to pick out individual stars. Let's just give them all roses and say "well done all."

*Driver Education . . .*

<sup>27</sup> MAKING education more functional by preparing its students to live, and to live safely, CHE added driver education instruction in 1947.

Each student is required to have eighteen hours instruction "on the road" and six hours "under the wheel" driving experience in order to be eligible for the examination that is given by the Department of Public Safety.

LEFT TO RIGHT—Lester Johnson, John Yostigstad, Myrtle, John Lockart, Glad, Bertha, Joseph Dickson, John May, John Hanson, Amy, Edna and Mary Miller.

18(000) SIMPSTER—Amy Bouchard, Billy Bruce Anderson, Nottingham, Jennifer Baxby, Exeter, Peter Jones, Bristol, Thomas Mould, Lake District, Robin Jean Talbot, and Helen Taylor.

# The Music Department . . .

THE MUSIC and ARTSMENT under the direction of Mrs. Sylvia Dean Ellis, L. M. S. music minister, and Miss Dorothy McLeod, church music supervisor, has achieved a very active program during the school year including:

1. Active participation in all school events.
2. Participation in numerous sponsored musical programs.
3. The Annual Christmas program presented for the students.
4. The Easter Cantata "Lord of Life," presented at the local churches April 19th, 19th, and 19th by the Greenwood High School music groups.
5. Participation in the Greater Music Festival held at Northern Methodist Church May 1st.

This year the department has introduced the Active Foundation series for extending musical and artistic activities to members of the Senior Class.

## Chorus . . .
